Newstalgia

Trend Report Fall 2025

Shown: Ethno beverageware

The new way to do vintage

Today's hottest bars and restaurants are going back – way back – for inspiration.

“Newstalgia” reimagines foods and design from the past for modern consumers, offering a heaping helping of comfort and nostalgia.

From mid-century color to TV dinner-style entrees, this trend can help you connect with guests in a new (but old) way.

Be inspired by the selections shown here, then **connect with Libbey to bring the trend to life in your space with a free sample.**

Speakeasy style

The enduring appeal of this trend proves you can't go wrong with glam. Invest in tableware from the golden age of cocktails to add high-end swagger to your space.

Renaissance Coupe

Shapely sips

Coupes and Nick and Nora glasses evoke the era

Speakeasy

Made for the classics

The perfect vessel for Manhattans and martinis

Radius

Special effects

Faceted barware reflects light for a stunning show

Nostalgic nibbles

Throwback menus are having a moment. Give a nod to the classics with beloved dishes just like Mom (or a favorite restaurant) used to make.

Desert Sand

Comfort food

Throw it back with menu items straight out of a '70s diner

Ornate elements

Intricate designs and a unique patina tell a story

Giovanni

Astor

A taste of home

Scalloped dinnerware borrows from Grandma's china cabinet

Eclectic aesthetic

Want to play with retro design without looking like an antique shop? Pull an eclectic assortment from a variety of periods to personalize your surroundings.

Geometric shapes

Art Deco details pair well with tableware from any era

Renewal Inspire

Cocktail comeback

Cosmo, anyone? Return to the '90s with angular stemware

Z-Stem
